The mission of The House of the Seven Gables Settlement Association is to preserve our National Historic Landmark District and leverage its power as an icon of American culture to engage diverse audiences and provide educational opportunities for our local immigrant community.

AN AMERICAN TREASURE...

In 1668, merchant and ship-owner John Turner built a house on Salem Harbor that was destined to become one of America’s most beloved historic homes. Designated a National Historic Landmark District in 2007, The House of the Seven Gables is best known today as the setting of world-renowned American author Nathaniel Hawthorne’s 1851 novel.

In 1910, Salem philanthropist Caroline Emmerton restored the house and opened it to the public as a museum, using proceeds from ticket sales specifically to fund settlement work for immigrant families. Over a century later, The House of the Seven Gables Settlement Association is dedicated to continuing her dual mission of education and historic preservation.

Corporate Membership supports The House of the Seven Gables Settlement Association’s dual mission of education & preservation, established by our founder Caroline Emmerton in 1910.
