

Help us to reach our \$10,000 fundraising goal for our community event, Gables Fest!

On August 4, 2018, The House of the Seven Gables expects to welcome over 400 visitors for an evening of music, dance, food, and fun. All proceeds from the event will support the organization's dual mission of education and preservation during the 350th anniversary of one of America's most beloved historic homes. Don't miss your chance to be a part of this banner year!
