The Turner-Ingersoll Mansion, more famously known as The House of the Seven Gables, was built in 1668 and has been a vital part of Salem’s history for over 350 years. Your support ensures that this American icon will stand for generations to come. With your help, we can continue to share four centuries of stories with over 100,000 visitors and provide targeted educational programs to our local immigrant community.

By supporting The House of the Seven Gables, you actively help in our efforts to preserve, share, and create these important stories.
