**A NOTE TO OUR TOUR OPERATORS ABOUT 2021 PLANNING**

The Gables updated their 2021 Group Travel Planner in November 2020. In 2020, the organization worked with a number of state and local guidelines and created overwhelmingly positive visitor experiences without having access to historic interiors. We encourage our group travel partners to consider our Gardens Package when booking for 2021 to ensure a confirmed reservation for your travelers. Our pricing may change for non-group travelers throughout 2021 and may not reflect your retail pricing.
2021 ANTICIPATED VISITOR EXPERIENCE

We look forward to welcoming your group travelers back to The House of the Seven Gables in 2021 and beyond. **Please note:**

- Bookings are being accepted for April 1, 2021 and beyond.
- The Gables will offer no-penalty cancellations for tour operators for COVID-19 related issues through at least December 31, 2021. Cancellations must be made within one week of the scheduled arrival or a cancelation fee may apply.
- Our business follows our state and local guidelines in terms of sanitation and standards. Appropriate information will be communicated with your company. All travelers will need to comply with necessary guidelines to be granted admission.
- The Gables must have up-to-date contact information for your company so that we can proactively communicate issues or itinerary changes. Traveler contact information may also be required at check-in.
- We strongly advise checking in with our group travel staff before you depart.
